Growing Sustainable Farms – Increase Profits, Mitigate Risk

James Harris
Farm Loan Officer Trainee
Farm Service Agency

After spending 10 years in the United States Army and deploying twice to Iraq, James Harris found piece of mind working in the fields and serving others. His journeys have taken him from farms in Hawaii to the Central Coast of California. Currently James is training to become a Farm Loan Officer with the USDA, to continue serving farmers. James is originally from North Carolina but now calls Fresno home.
