Growing Sustainable Farms – Increase Profits, Mitigate Risk

Ron Brown
Maritime Marketing and Commodities
Representative
Port of Oakland

Ron Brown joined the Port of Oakland in 2004 to help the Port grow its import and export cargo throughput during a period of high year-on-year growth. Mr. Brown regularly meets with beneficial cargo owners, marine terminal operators, 3PLs, and international ocean cargo carriers to promote the Port of Oakland.

Mr. Brown currently serves on several Boards of Directors for maritime related industry associations including The Northern California World Trade Center Association, The Propeller Club of Northern California, and The Warehouse Education Resource Council. Mr. Brown holds a Master's Degree in Business Administration from Duke University's Fuqua School of Business, and a Bachelor's Degree in Chemical Engineering from North Carolina State University.
